Dear Josh:

It was good to see you at the TAB-TAAC breakfast yesterday morning. As promised, I enclose a copy of the Health America legislation, and would welcome any comments you may have.

I appreciate your continued service on the Technology Assessment Advisory Council, as do the other members of the Technology Assessment Board. Jack Gibbons mentioned at breakfast that we like to hear how OTA is playing "outside the Beltway," and I think that perspective is especially important as we enter OTA's third decade.

I look forward to seeing you at OTA's 20th anniversary celebration, if not before.

Best wishes.

Sincerely,

E.M.K.
Enjoyed being with you
